Gentlemen:

We wrote to Mr. Victor D. Brenner asking him if he could let us have some cuts from which the illustrations for his book, The Art of the Medal, were made; and a member of his family wrote back that Mr. Brenner was in Europe, but that probably, we could get the cuts from you.

We would appreciate it very much if we could get them as we wish them for reproduction in our new magazine, Arts and Decoration.

We would like the cuts for the plaque by Alexander Charpentier, representing painting; for the medal of Elizabeth of England, 1587, and for the struck medal from intaglio dies by George 1802.

Thanking you for your favor,

Very truly yours,

ARTS AND DECORATION.
